

The 2020 Census is here! Your response is important for an accurate population count.

Every 10 years, everyone in the USA is counted. Your response helps determine **ANNUAL** distribution of \$675B in federal funds to communities like ours for services like housing aid, food stamps, & funding for infrastructure.

March, you'll receive an invite in the mail to complete the Census online, by mail or phone. Census employees will visit nonresponsive homes May-July.

Funding for Public Services

Your response effects sharing of \$675B **yearly** for schools, roads, & more.

Community Planning

Communities use statistics from responses to plan for the future.

Representation to Congress

Responses are used to draw Ohio districts & determine # of Congress seats.

For each person **NOT COUNTED**, OHIO'S ESTIMATED LOSS IS \$1,206 EACH YEAR for a decade.*

Funding impacts our County.

Encourage others to complete the Census. Funds go to local programs, like school free/reduced lunch.

Responses are confidential.

Your personal info is confidential & protected. Law enforcement agencies (DHS, ICE, or FBI) & landlords/property managers cannot access or use your personal info.

Everyone in your home counts.

Be sure to count everyone usually living/staying in the home—include babies, children, & roommates.
